

Think Health Think Nature Media Guidance Media Requirements and Guidance for Green Health Events and Campaigns Logos, Social Media and #tags Updated March 2026

Logo's

Think Health Think Nature work in partnership with a number of groups and organisations across Highland and, while it is not a requirement, we do welcome the inclusion of our logo in any publicity. There are a choice of logos available.

Landscape Colour

Landscape Colour with Gaelic

Vertical Colour

Landscape Mono

Please contact greenhealthhighland@gmail.com for high resolution and various formats. Please only use our logo if we have been involved with or made aware of the project, event or campaign underway. Please do not distort or change the logo proportions or colours or make any design changes.

Copies of all your publicity material, press releases and any press coverage you receive should be emailed to i.greenhealthhighland@gmail.com. For projects in receipt of funding directly through Think Health Think Nature it is a requirement that you **MUST** include our logo on all publicity material and wherever possible on social media, web sites and posters produced as part of the event/activity.

Website

Our webpage can be found at www.thinkhealththinknature.scot

Contact

Our generic contact address is greenhealthhighland@gmail.com or there is a contact form available on our website.

Social Media

Our Social Media Channels can be found at:

Facebook: www.facebook.com/ThinkHealthThinkNature

Instagram: [@ThinkHealthThinkNature](https://www.instagram.com/ThinkHealthThinkNature)

#Tags

Please use this tag when posting about your event, so we can pick up your event publicity and share it:

[#ThinkHealthThinkNature](#)

[#greenhealth](#)

[#greenhealthweek](#) (for events associated with this campaign)

Acknowledgement

Where a project has been funded directly by Think Health Think Nature in full or in part please use the wording where appropriate and practical on any public facing material.

“This project is supported by Think Health Think Nature the work programme of the Highland Green Health Partnership, one of several area-wide partnerships developed in Scotland contributing towards “Our Natural Health Service”, a programme being led by NatureScot.”

Photos, feedback and press coverage

We always love to here of any feedback and press coverage. Please send feedback (good and bad), photos and press coverage to us at greenhealthhighland@gmail.com

Newsletter

Please sign up to our seasonal e-newsletter by visiting www.thinkhealththinknature.scot

Highland Climate Charter

We encourage all projects we support to sign up and make a pledge in the Highland Climate Charter.
